

TRAVEL INFORMATION

The Embassy of Mozambique is honored to inform the general public that it is issuing entry visas to Mozambique. However, in order to mitigate the spread of the Covid 19 virus, each traveler needs authorization from the Government of Mozambique before entering the country, which takes 2-3 weeks to obtain the visa endorsement.

In this context, travelers are recommended to observe the following procedure:

1. Submit the visa application at least 1 month before the expected date of entry into Mozambique;
2. After receiving the authorization, the traveler will be contacted by the Embassy to send his/her passport and asked to make the respective payment;
3. The visa will be issued immediately, as soon as the traveler presents the proof of payment;

All travelers arriving in Mozambique, must present a negative test (PCR) / SARS-COV-2 performed not more than 72 hours prior to arrival (even vaccinated persons with a vaccination certificate must have a PCR / SARS-COV-2 test).

The Embassy of Mozambique wishes all visitors a safe trip!
